**Points to Ponder:**

John the Baptist was supposed to point the way to the Christ. He was just the voice, not the Messiah. So everybody's calling has dignity to it and God seems to know better than we do what is in us that needs to be called forth. **James Green**

Know that no one can have indulged in the Holy Writers sufficiently, unless he has governed churches for a hundred years with the prophets, such as Elijah and Elisha, John the Baptist, Christ and the apostles.... We are beggars this is true. **Martin Luther**

Anyone with two tunics should share with him who has none. **John the Baptist**

Don't worry about Christ running out of ability to help you. His grace is sufficient. That is the spiritual, eternal lesson of the feeding of the 5000. **Jeffrey R. Holland**

Jesus is showing everyone that it's not about how little or much you have. It's about how much of it you are going to give to Him. **applygodsword.com**

We want Christ to hurry and calm the storm. He wants us to find Him in the midst of it first. **Unknown**

Jesus has made Himself the Bread of Life to give us life. Night and day, He is there. If you really want to grow in love, come back to the Eucharist, come back to that Adoration. **Mother Teresa**

There are people in the world so hungry, that God cannot appear to them except in the form of bread. **Mahatma Gandhi**

**Chuckle of the Day:**

Welcome! We are glad to have you with us. May God strengthen us in faith and lead us to give Him praise as we hear His Word today. He calls and gathers us together in this parish to be a people who believe in His care for us and who in turn express His care for others in our lives. Please speak with one of our Elders or any one of us if we can be of service to you.

**We are CARED FOR AND CARING IN JESUS' NAME.**
